

Hello friend!

This is a little book of what to  
expect when you come to

to camp. We can't wait

to see you there!

Swaggy

# CAMP SKYWILD

What to expect when you come to camp!

Camp SkyWild is a really fun summer camp in West Branch, Michigan. Kids come here for one week and do a lot of fun activities, eat meals in a dining hall, sleep in bunk beds in cabins, and make new friends!

Lots of kids go to summer camp every year and really love it. Some people get a little nervous about going to a new place, and that is totally normal, even for the counselors! But most people end up having a really great time.

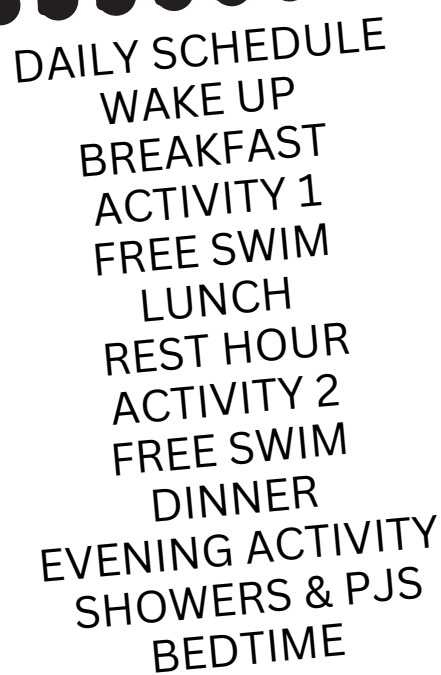

There are lots of fun activities to do here, and everyone usually finds at least a few things they like. You'll have a chance to meet kids who could become your friends, try camp activities like the ones in all these photos, and feel proud of who you are! We can't wait to have you at Camp SkyWild!

At camp, you can find out exactly what is happening, because we show everyone what to expect on a schedule. Everyone has different interests at camp and that's okay. We don't make people try activities they don't want to do, and campers can always watch first before they try.

DAILY SCHEDULE  
WAKE UP  
BREAKFAST  
ACTIVITY 1  
FREE SWIM  
LUNCH  
REST HOUR

Stand-up Paddleboards

Swing in hammocks

Make new friends

Shoot Archery

**What  
else do  
we do at  
camp?**

Lots of people love summer camp for all the fun things they can do here that they can't do at home or at school. Which activities look like fun to you?

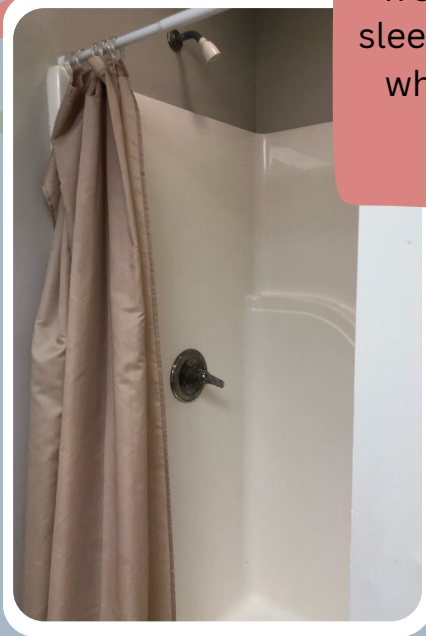

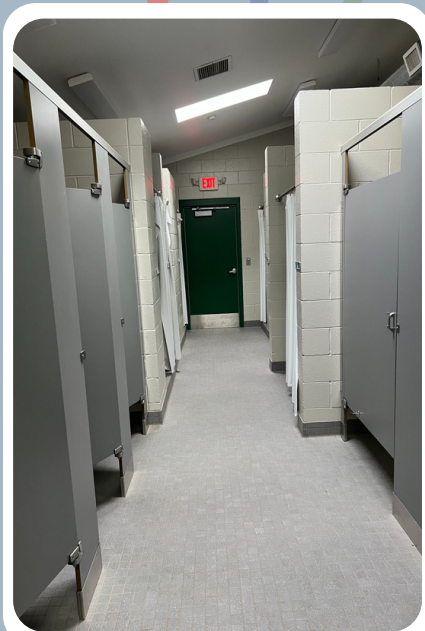

We all sleep in bunk beds at camp. You can pick if you'd like the top or bottom bunk. We make sure you can get up and down them safely.

These are some photos of the cabins where you will sleep. There will be other campers and counselors in these rooms, too.

This is where we take showers and use the bathroom. We take showers at night before bed. These are separate from the area where we sleep but we can use them whenever we are with a counselor

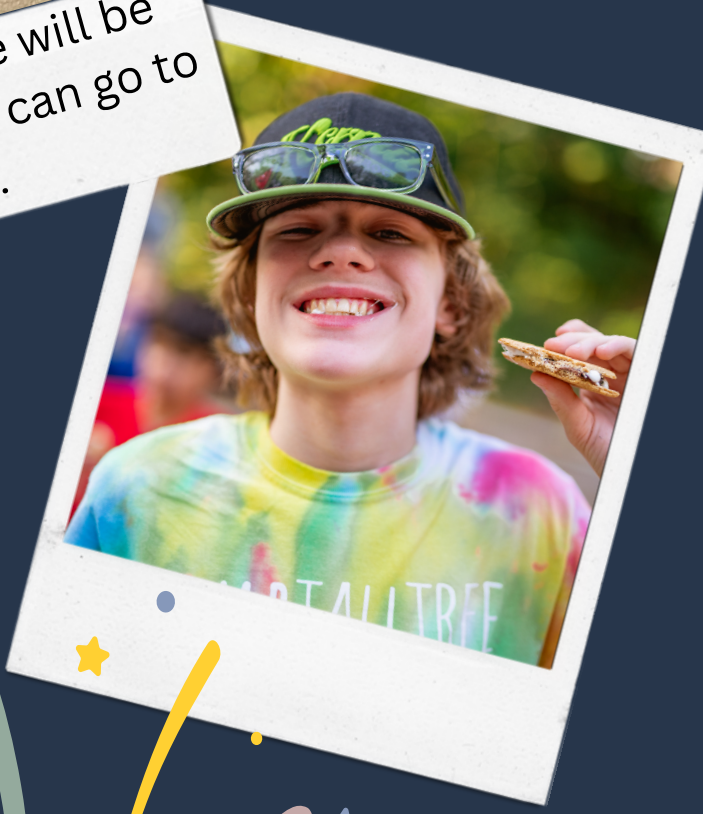

If it gets too loud in here, there will be quiet tables outside where you can go to eat with a counselor.

You will have a choice to eat in this dining hall or under a pavilion outside. You will also get a lot of choices about what to eat. Some days we eat chicken nuggets, french fries, or pizza. We eat marshmallows and s'mores too!

At every meal, we will have a station of other food you can choose if you do not like the main options. This could be PB&J sandwiches, cereal, fruit, yogurt, and more!
