

# CAMP SKYWILD MICHIGAN

A sleepaway camp designed for  
kids with autism and their siblings

at YMCA Camp Timbers

📍 West Branch, MI

Aug 12-17, 2024

# Spectrum Program \$1299

- For children with autism ages 7-17
- 3:1 staff ratio to customize access to activities, support transitions, and scaffold friendship building
- Campers must be independent with toileting and showering, free of aggression towards self and others.

# Siblings Program \$699

- For neurotypical siblings (age 6-12) of a child with cognitive, developmental or medical needs
- Campers have a parallel but separate experience that's "all about them" among kids and staff who understand the unique challenges they face
- Allows true respite for parents and caregivers

Scholarships and financial aid available
