## CAMP SKYWILD

Camp SkyWild provides a traditional overnight summer camp experience. Our program aims to serve kids ages 7-17 on the autism spectrum as well as the siblings of a child with any special need.

Our goal at Camp SkyWild is to give children with unique challenges the opportunity to enjoy summer camp in a space where they feel understood, supported, and celebrated.

---

### ABOUT CAMP

We offer so many fun activities including swimming, boating, fishing, zip line, rock wall, ropes course, arts & crafts, GaGa Ball, and so much more. Camp is different from what most kids are used to, so we work hard to provide clear expectations and guidance in ways that make sense for our campers.

We have a 3:1 camper to counselor ratio. Campers who are eligible for Camp SkyWild will be able to participate without 1-1 supervision for most of the day, will be independent with bathroom use and showering, and be free of regular aggression towards themselves and others.

### COST

Main Camp \$1299. Siblings \$699.  
Scholarship opportunities available.

### FOOD

We are prepared to accommodate camper allergies and dietary restrictions including- but not limited to- gluten free, dairy free, nut free, and vegetarian.

### VOLUNTEER

Our staff are passionate individuals from a wide array of backgrounds who are invested in making a world where it's safe to be your most authentic self. Contact us to learn more!
